## 2024 Admission Prospectus

## INTRODUCTION OF GPNU

Founded in 1957, Guangdong Polytechnic Normal University (GPNU) is an institution of higher education with the right to award both Master and Bachelor Degree. GPNU is located in the central urban area of Guangzhou with convenient transport services. The campus provides students with all kinds of facilities, banks, restaurants, libraries and cafeteria. The School of International Education, GPNU was established in 2004 is one of very few schools in the mainland China offering all courses in English. Currently, the School has one master program in Education, four undergraduate degree programs in International Business, Finance, Business Administration and Computer Science. It also offers Chinese language courses for international students.

Up-till now, over 3000 students from more than 60 countries across Asia, Africa, Europe and America have been enrolled and graduated successfully from this School. With over 50 faculty, the school of International Education enjoy excellent reputation in international education.

## SPECIAL FEATURES

1.The School of International Education is unique as it is exclusively established for international students. It has an experienced team of instructors and friendly administrative staff. The original unique "snowballing learning" helps international students improve their Chinese quickly.

2.All degree programs (taught in English) are closely matching with the industry, education institution and often get practical support and enjoy good prestige from international job market. The students will get an opportunity of an internship in companies located in Guangdong Province. Job opportunities and career planning guidance are provided to the students through seminars, lectures, field trips, companies/factories visits and job fairs.

3.The School of International Education has rich experience of organizing cultural activities. We have established long-term cooperative relations with Guangdong Provincial Museum, Museum of the Western Han Dynasty Mausoleum of the Nanyue King, Shihsanhang Museum of Archaeology, Guangzhou Lime plastic Research Institute, Chen Clan Academy Museum etc. Every year, we organize cultural activities for international students to increase their understanding of China and Guangzhou.

## CHINESE LANGUAGE PROGRAM

The Chinese Language Program (non-degree program) is exclusively designed for international students who aim to learn Chinese language. The program has three modules. Students with zero proficiency in Chinese language will be enrolled in Primary Module. Intermediate and Advanced Learning Modules for students who have some foundation in Chinese language.
